

## Friends of Trent Vale Trail

Charity Registration 1200048

### **Spalford – South Clifton Tender Guidelines**

1. The project funders have determined that the tender process must be open and transparent. Consequently, the tender package is being posted on the charity's web site and other web sites.
2. The tender deadline is **Wednesday 6 March 2024.**
3. The charity trustees / management committee will assess each submission against the following criteria,
  - a. Adherence to tender request, providing the required information and pricing with the breakdown.
  - b. Total price.
  - c. Quality.
  - d. Experience / Reference projects.
  - e. Contractor site visit.
4. The Friends of Trent Vale Trail are willing to consider alternate materials that improve the durability of the surface or reduce cost. Alternate materials must be presented as an option on separate sheets along with pricing.
5. The fencing and gates shown on the South Clifton drawings **are not** part of this tender process and **do not** need quoting. Fencing and gates will be subject to a separate quotation / tender installed after the trail surface upgrade.
6. The fields that require contractor input, pages 13 and 27, are editable. The completed pages must be submitted with the other requested information.
